Dear Board of Directors:

I am interested in having a portable storage container/dumpster in my driveway and I understand that I cannot proceed without having first received written confirmation from REI on behalf of the Board of Directors. By initialing next to each item, I hereby understand that:

\_\_\_ The container will not be in my driveway for more than 7 days. I plan on having it on site from \_\_\_\_\_, 20\_\_ to \_\_\_\_\_, 20\_\_.

If additional time is needed, please specify how much longer and why. The Board will consider extensions on a case by case basis: \_\_\_\_\_

---

\_\_\_ Wood blocking must be under each end of the container to prevent damage to the driveway.

\_\_\_ Loading & unloading will only be during the hours of 8:00AM – 8:00PM and my neighbors will be notified if needed.

\_\_\_ The container will be padlocked (if applicable) when it is not being loaded/unloaded.

\_\_\_ Vehicles that are registered to my unit may be parked in visitor parking for the duration of the 5 days only while the container is in my driveway.

Sincerely,

\_\_\_\_\_
